

Printed Photos

These photographs are intended as framable ARTWORKS. They are **not** used as reference by Mike for his drawings, sculpture or any other artwork. His photography is an end product in itself.

Please do **NOT** presume you have seen the photographs because you've seen these low-res representations of them on your screen. In order to discourage downloading and illegal printing of Mike's art, these pictures are purposefully kept at low quality. The only way to **really** experience Mike's photography, is to get a print.
